ABOUT THE COLLEGE

Odaiyappa College of Engineering and Technology (OCET), Theni was established by Odaiyappa Educational Trust in the year 1998. A public charitable and educational Trust, OCET runs under the chairmanship of its Managing Secretary, Dr. O.Kannappan who has immense experience as an Educational consultant. His vision is to give high quality education for rural people. The courses offered in OCET are approved by AICTE, New Delhi & affiliated to Anna University Chennai. OCET offers six Undergraduate Courses.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering was started in 1999. The Department has a team of highly qualified and dedicated faculty members. The faculty members are continuously upgrading their knowledge by presenting papers in conferences attending workshops etc., Most of the faculty members are pursuing in higher studies like Ph.D., in various universities. The Department is well equipped with advanced laboratories. The Department aim is to achieve academic standards and placements are the two key parameters. The academic standards have been achieved by the intellectual property of our faculty. The reason for students selecting Computer Science and Engineering is not only because of the physical infrastructure, but for factors such as approach to academics, our intellectual property, training and placement. The Department provides special training for students' placement in MNCs and entrepreneurship development.

ABOUT THE CONFERENCE

The National Conference is organized by department of Computer Science and Engineering.
